### COMPANY OVERVIEW

F.D. Taping Services is led directly by Filipe Dionisio. Our standard was developed through 11 years of GTA high-rise production and is applied to commercial interiors, multi-unit projects, custom homes and renovations. We coordinate manpower, schedule and quality around each client's scope and milestones.

### CORE CAPABILITIES

#### Drywall taping

Joint finishing for walls, ceilings, corners and detailed assemblies.

#### High-rise residential

Multi-floor production across suites, corridors and common areas.

#### Commercial interiors

Organized finishing for offices, retail and large interior spaces.

#### Custom homes & renovations

Full-home finishing, additions, repairs and deficiencies.

### WHY CONTRACTORS CHOOSE F.D. TAPING

- Clear communication with supervisors and clients
- Crew coordination built around schedules and milestones
- Consistent application, sanding and deficiency control

## SELECTED PROJECT EXPERIENCE

## Crosstown Towers. Complete finishing scope.

In 2026, F.D. Taping Services delivered the complete taping and finishing scope in coordination with Marel Contractors at Eglinton Avenue East and Don Mills Road. The work covered all suites, corridors and common areas across Tower 1 (39 floors) and Tower 2 (32 floors).
